Future Melbourne
Building a greater City vision for 2026

Rob McGauran
Future Melbourne 2026 Ambassador
Director MGS Architects
March 2016
What do we know now?

great decision making  poor decisions
Good decisions
Good design

Flinders Street Railway Station
completed 1910

Royal Exhibition Building
completed 1880
What do we have now?

Proximity to the City = opportunity and jobs

Grattan Institute 2014
Affordable housing targets over the next 10 years

New York City: 212,000 units

Melbourne City: 1,740 units
So how can we plan for success?
A connected City
Land bridges and lineal parks
A great bicycle city

Incentivise active transport
Embracing institutional citizenship
Digitally enhanced places and spaces
Housing and amenity
An affordable City
A peace of mind
Great places and spaces

Destination-orientated attractions
Lessons learnt that should be applied to the vision?
What do you think are the big opportunities for Melbourne to be a better City in 10 years?
What do you think are the major challenges?

What do you think should be the major priorities and why?
Thank you
