

Placemaking – linking heart and head to place
Regenerative development – creating vital, viable
places that can evolve
Permaculture – working with patterns of place

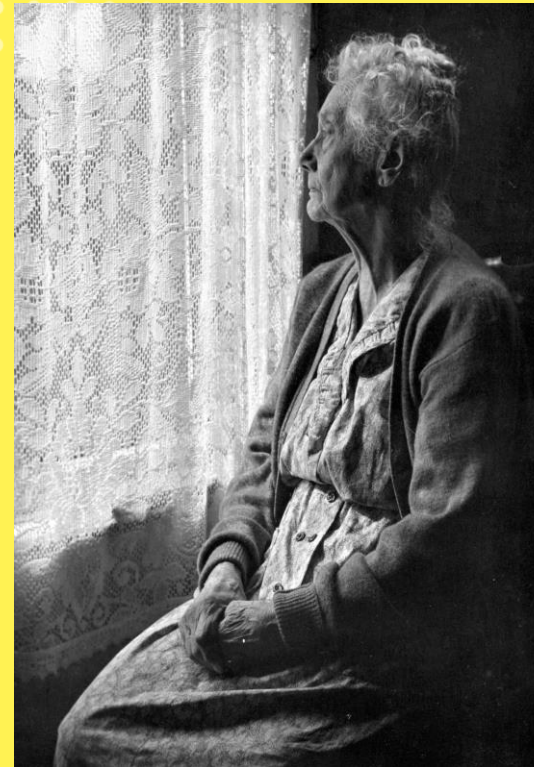

Dominique Hes Director of Thrive, MSD, The University of Melbourne

#PlaceWeekVic

WHAT WE HAVE...

Poor, underused, alienating space

Loneliness and
disconnection

Rules that stifle
connection

WHAT WE WANT...

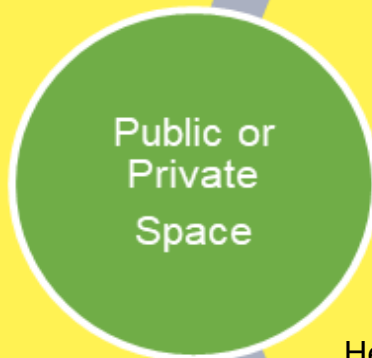

Place Attachment
Sense of Place

Sense of Belonging
Conviviality

Empowerment
Care for place

Social Inclusion
Social Cohesion

Healthy natural
cycles
Ecosystem
Services

Connection to nature
Custodianship

Resilience
(Ecological)

Biophilia
